<b>Item 39.12</b>	<b>Revised Eligibility for Lateral Exit Scheme</b>
-------------------	--

The eligibility for Lateral Exit Scheme as approved in 29.9 (a) Academic Senate was:

*"The students of the 5-year IPG program (B. Tech. (IT) + M. Tech. (IT)/MBA) shall have the option of lateral exit from IPG program after 4 years with a B. Tech. (IT) degree. The desirous students shall have to exercise their choice before the end of the 6<sup>th</sup> semester provided the student has (a) minimum CGPA 6.0 up to the 5<sup>th</sup> semester and (b) no active (uncleared) backlog till the submission of the application."*

It was observed that many students opted for lateral exit (29 out of 62, i.e. 46.77%, for IMG and 6 out of 119 i.e. 5.04%, for IMT from 2022 batch). It is violating the merit order and huge financial loss of the institute.

To limit the number of students getting Lateral Exit, the lateral exit will be permitted to the students based on the medical, family conditions and/or merit subject to the strength of the existing program should not be less than 80% of total sanctioned strength of the program.

Therefore, the modified clause 29.9(a) shall be:

*"The students of the 5-year IPG program (B. Tech. (IT) + M. Tech. (IT)/MBA) shall have the option of lateral exit from IPG program after 4 years with a B. Tech. (IT) degree. The desirous students shall have to exercise their choice before the end of the 6<sup>th</sup> semester provided the student has (a) minimum CGPA 6.0 up to the 5<sup>th</sup> semester and (b) no active (uncleared) backlog till the submission of the application. However, lateral exit will be permitted to the students based on the medical, family income conditions and/or merit subject to the strength of the existing program should not be less than 80% of total sanctioned strength of the program."*

The Senate considered and approved the above.

-------------------	---

(a) The following modifications in the Course of Study of 5<sup>th</sup> semester of B. Tech. (BMS) Program Dept. of Engineering Sciences are requested by the Dept. of Engineering Sciences:

- (i) The number of courses in 5<sup>th</sup> semester of BMS Program is 08 with a total credit of 25-27 due to which the academic load on the students is quite high compared to other B.Tech. students. Therefore, to unify the credits with other programs of study, one elective course out of the two electives at present to be dropped resulting in lowering the number of credits in the semester as 22-23.
- (ii) The optional MOOC course offered in the 5<sup>th</sup> semester of B.Tech. (MSC) may be shifted to the 4<sup>th</sup> semester, with 2/3 credits and the Summer Project being offered in 4<sup>th</sup> semester may be dropped.

(b) The addition of two Elective courses in the AI elective Basket of M.Tech. (IT) and IMT Program is requested from Dept. of IT.

(c) The Dept. of EEE recommended the interchange of some courses with other semester courses based on prerequisites required for courses of higher semesters and modifications/changes to other existing courses. In addition, some elective courses are recommended to be added to the existing program.

The Senate noted the same.

<b>Item 39.19</b>	<b>Update in format of Degree Certificates</b>
-------------------	--
